News Release

Clarification on the moneycontrol.com article “*Thomas Cook India under MCA scanner over ‘suspicious’ transaction*”

Mumbai, September 23, 2019: In light of the article on moneycontrol.com titled “*Thomas Cook India under MCA scanner over ‘suspicious’ transaction*”, we categorically refute the contents of the same in reference to Thomas Cook India and state for the record that both the headline and contents of the article are factually incorrect and malicious in intent.

Despite having issued a clear statement to the journalist Tarun Sharma via an email dated September 23, 2019, that we have received no intimation from the Ministry of Corporate Affairs and have no existing relationship with Aarush Forex Private Limited, a baseless and highly damaging article has been posted that clearly maligns Thomas Cook India.

We also state that despite several attempts to contact the media rep and editorial team, they refused to respond.
