Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure A to Independent Auditors' Report

Notes:

- 1 The results for the year ended March 31, 2016 have been subjected to a statutory audit by the Statutory Auditors in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 ("the Listing Regulations, 2015").
- 2 The above results were reviewed by the Audit Committee at its meeting held on May 27, 2016 and approved at the meeting of the Board of Directors held on May 28, 2016.
- 3 The Board of Directors have recommended a dividend of Rs. 0.375 per equity share. (Previous period Rs. 0.50 per equity share)
- 4 The figures of the quarter ended March 31, 2016 are the balancing figures between audited figures in respect of the full period of twelve months ending as at March 31, 2016 and the unaudited published year to date figures up to December 31, 2015, being the date of the end of the third quarter of the financial year.
- 5 Pursuant to the enactment of Companies Act, 2013, the Company has, effective April 1, 2015, reviewed and revised the estimated useful lives of its fixed assets, in accordance with the provisions of Schedule II of the Act and will depreciate the carrying amount of the asset as on April 1, 2015, over the remaining useful life of the asset. Additional depreciation charge on account of revised estimated useful lives of fixed assets for the year ended March 31, 2016 is Rs. 70,165,103. Where there was no remaining useful life of an asset on April 1, 2015, the carrying amount of the asset after retaining the residual value was debited (net of deferred tax) to the opening balance of retained earnings to the tune of Rs. 41,465,188.
- 6 The results for the quarter and year ended March 31, 2016 include the consolidated results of Sterling for the quarter and year ended March 31, 2016 consequent to Sterling becoming a 100% subsidiary pursuant to The Hon'ble Bombay High Court's approval of the composite scheme of arrangement and amalgamation while during the period ended March 31, 2015 the Company and its subsidiaries' stake in Sterling was 55.07% and consequently the same are not comparable with the results for the period ended March 31, 2015.

- 7 Exceptional Items include :
 - Capital work in progress balance of erstwhile Sterling Holiday Resorts India Limited (SHRIL) included an amount of Rs. 2,165.9 Lakhs incurred in earlier years in respect of various projects which were suspended earlier. These projects were expected to be resumed and completed on a phased manner in the future. However the management based on its expansion / renovation plan re-assessed these projects as at March 31, 2016. Considering the design requirements and specification of resorts to be developed to meet the current industry standards, the expenditure incurred in the earlier years would no longer support the new requirements and hence these have been written off.
 - A provision of Rs.4,009.8 Lakhs recognised by the management considering the trend of collections from vacation ownership contracts and anticipated cancellations, pertaining to overdue receivables after considering the future receivables and corresponding deferred income available from the members admitted in the previous years. The management believes based on its past experience and evaluation of these overdue balances, that these contracts will eventually be cancelled in a phased manner. Consequently, the future receivables (including those which is due after 12 months) from such customers and corresponding deferred income has been presented within trade receivables.
 - A provision of Rs.3209.2 Lakhs made by the management based on the evaluation of the amount expected to be collected from the members admitted in the current year based on the past experience and presented within short-term provision.

The consolidated results for quarter and year ended March 31, 2016 include audited results of Nature Trails Resorts Pvt. Ltd from March 15, 2016 to March 31, 2016 and consequently the same are not comparable with the consolidated audited results for quarter and period ended March 31, 2015.
- 11 Pursuant to the approval received from the Hon'ble High Court of Judicature at Mumbai, the Composite Scheme of Arrangement & Amalgamation (Scheme) between the Company, Thomas Cook Insurance Services (India) Limited and Sterling Holiday Resorts (India) Limited on July 2, 2015 and the Scheme becoming effective on August 18, 2015, the accounting treatment, as prescribed in the said Scheme, has been followed while preparing Financial Statements for the year ended March 31, 2016 with effect from the Appointed Date i.e. April 1, 2014. The goodwill arising on consolidation of Sterling amounting to Rs. 22,984 Lakhs has been adjusted against the consolidated balance of reserves and surplus as at March 31, 2016
