Limited Review Report on un-audited financial results for the quarter and Nine months period ended 31st December 2017 of Oriental Carbon & Chemicals Ltd**To the Board of Directors of
Oriental Carbon & Chemicals Ltd**

We have reviewed the accompanying statement of unaudited financial results ('the Statement') of Oriental Carbon & Chemicals Limited ('the Company') for the quarter and nine months period ended 31st December 2017 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') read with SEBI circular no. – CIR/CFD/FAC/62/2016 dated 5th July 2016.

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on this statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

The financial results for the quarter and nine months period ended 31st December 2016 reported under the previous GAAP, included in the Statement, are based on the previously issued results of the Company, prepared in accordance with the Accounting Standards as per Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. These results were reviewed and audited by predecessor auditor. Management has adjusted these results for the differences in the accounting principles adopted by the Company on transition to the Indian Accounting Standards ('Ind AS'), which have been reviewed by us.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in all material respects in accordance with applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') and SEBI Circular no.-CIR/CFD/FAC/62/2016 dated 5th July 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Financial Highlights of Q3 FY18

- Total Income up 21% to Rs. 88 crores as compared to Rs. 72 crores in the corresponding period of the previous year on account of increased volumes during the quarter.
- EBITDA up 29% to Rs. 28 crores as compared to Rs. 21 crores in the corresponding period of the previous year.
- EBITDA Margins have increased by 170 basis points to 31.3%
- Profit Before Tax up 25% to Rs. 21 crores as compared to Rs. 17 crores in the corresponding period of the previous year
- Taxes have increased due to increase in deferred taxes attributable to the new capacities added.
- Profit after Tax at Rs. 15 crores with Margins of 17.4%

Commenting on the results, Mr. Arvind Goenka, Promoter and Managing Director said

"I am glad to announce that our Company reported Total Income of Rs. 88 Crores with EBITDA and PAT of Rs. 28 Crores and Rs. 15 Crores respectively during the last quarter.

The import of tyres from China has reduced considerably post the imposition of the Anti-Dumping Duty which is beneficial for the domestic players as well as for those tyre manufacturers who have incurred capex for tyre capacity expansion in India. In the current year, there has been a ~18% growth in sale of Commercial Vehicles on back of increased spending on infrastructure. We expect the momentum to continue in the coming year as well which will also lead to increased domestic demand of Insoluble Sulphur.

Our continuous focus remains on consolidating our presence with existing customers and penetrating unexplored areas which will further augment growth.

Our Phase II capacity of 5,500 Metric Tonnes is on schedule.

We continuously strive to improve the efficiency of our operations to help enhance our performance going ahead."
