

Shilpa Decade 2:Pre-Oncology APIs

Our History

Shilpa Medicare has been on path of expansion ever since its inception in 1987. With a regulatory recognized manufacturing set up and excellent scientific expert team in place, Shilpa Medicare has since been on a steady growth path. Currently we are one of the leaders in the Oncology market and offer a complete range of products in this segment spanning across APIs, formulations both in terms of R&D and manufacturing capabilities. Further to consolidation in field of oncology API and formulations, we are striving to put in our efforts in field of novel drug delivery systems and biotech products along with widening our focus to other therapy areas. Where we are today has been the result of our constant endeavors for more than two decades. We are proud to share our journey from being a small start-up to a well-recognized establishment ...
