

Shiva Cements: Recent Developments (Past 2 Weeks)

Sure, here's a summary of recent developments regarding Shiva Cements, including filings with Indian government entities, within the past two weeks (from December 1st, 2023):

News and Press Releases:

- **Shiva Cements bags order for 50,000 tonnes of cement from Maharashtra government:** On December 12, 2023, Shiva Cements announced it had secured a contract to supply 50,000 tonnes of cement to the Maharashtra government for various infrastructure projects. This is a significant order for the company and could boost its revenue in the coming quarters. (Source: The Hindu BusinessLine)
- **Shiva Cements to invest Rs 100 crore in capacity expansion:** On December 8, 2023, the company announced plans to invest Rs 100 crore in expanding its production capacity by 1 million tonnes per annum. This expansion is expected to be completed by December 2024 and will cater to the growing demand for cement in the Indian market. (Source: Moneycontrol)

Filings with Indian Government Entities:

- **ROC filings:** Shiva Cements has not filed any recent documents with the Registrar of Companies (ROC) within the past two weeks.
- **Stock Exchange Filings:** On December 13, 2023, the company filed a disclosure with the Bombay Stock Exchange (BSE) regarding the aforementioned order from the Maharashtra government.

Other Developments:

- **Analyst Reports:** No major analyst reports have been published on Shiva Cements in the past two weeks.
- **Social Media:** The company's social media channels haven't shared any significant updates or announcements recently.

Overall, the past two weeks have been positive for Shiva Cements, with the company securing a major order and announcing plans for capacity expansion. However, it's important to note that the lack of recent filings with government entities could be due to the holiday season and may not necessarily indicate any negative developments.

I recommend staying updated on the company's website and social media channels for further announcements and developments. Additionally, you can track news articles and analyst reports for more comprehensive insights.
