Project Update:

On the Capex plan, the Company is in the initial stages of implementation and on schedule. The First Phase of Insoluble Sulphur Plant and the Sulphuric Acid Plant are expected to be commissioned on schedule by end of FY21. The Project is proposed to be funded by a mix of Loans and Internal accruals with a debt equity ratio of 2:1.

Commenting on the results, Mr. Arvind Goenka, Promoter and Managing Director said

“FY20 has been a challenging year for all automobile companies. There have been multiple factors that have caused pressure in the sector.

(a) In India, the landscape of Automobile Industry is changing with the introduction of BS-VI. With huge capex incurred by the Indian and Global Tyre Makers, it is expected that there will be increase in production of tyres.

(b) Globally, also there has been a slowdown in automobile and tyre demand , more significantly in China which is the largest market for insoluble Sulphur.

(c) there has been significant addition in Insoluble Sulphur Capacity globally in the last two year.,

We have witnessed a shift towards radial tyres. Radialisation in CV segment is expected to grow at a faster rate domestically. Also, there has been imposition of countervailing duty on imports of new pneumatic radial tyres from China. This is a positive move which will drive the demand for domestic tyres which will in a way lead to increase in demand for rubber chemicals including Insoluble Sulphur.

At OCCL, we always believe in improving cost efficiencies and are conscious of product development and we are fully committed for the same. We are also looks to penetrate further into markets where our presence is less and strengthen our footprints in existing geographies.”

Independent Auditor's Limited Review Report on un-audited standalone financial results of Oriental Carbon & Chemicals Limited for the quarter and nine months ended December 31, 2019.

**To the Board of Directors of
Oriental Carbon & Chemicals Ltd.**

1. We have reviewed the accompanying statement of unaudited standalone financial results ('the Statement') of Oriental Carbon & Chemicals Limited ('the Company') for the quarter and nine months ended December 31, 2019 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Listing Regulations, 2015').
2. This statement is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. The preparation of the statement is in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34, "Interim Financial Reporting"(Ind AS), prescribed under section 133 of the Companies Act, 2013 read with relevant rules there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 as amended read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended including the manner in which it is to be disclosed, or that it contains any material misstatement.

Independent Auditor's Limited Review Report on un-audited consolidated financial results of Oriental Carbon & Chemicals Limited for the quarter and nine months ended December 31, 2019.

Attention is drawn to the fact that the consolidated figures for the corresponding quarter & nine months ended December 2018, as reported in these financial results have been approved by the Parent's Board of Directors, but have not been subjected to review.

This statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34, "Interim Financial Reporting" ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India read with Circular. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of parent's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the financial results of the following entity:

Subsidiary

Duncan Engineering Limited.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principal laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We did not review the interim financial results of Duncan Engineering Limited subsidiary included in the unaudited consolidated financial results, whose interim financial results reflect total revenue of Rs. 1032.11 lacs and Rs. 3383.68 lacs, total net profit after tax of Rs. 80.32 lacs and Rs. 406.77 lacs and total comprehensive Income of Rs. 77.64 lacs and Rs. 398.54 lacs for the quarter and nine months ended December 31, 2019 respectively. These financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of subsidiary, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matters.
