## Amara Raja Energy & Mobility reports 11.6% increase in revenue over previous year in Q2 FY25

**Hyderabad, 4 Nov 2024:** Amara Raja Energy & Mobility Limited (ARE&M), a comprehensive solutions provider in the Energy & Mobility space, (BSE: 500008 & NSE Code: ARE&M) today, reported profit before tax of Rs 323.97 Cr for Q2 of FY25 registering a growth rate of 4.9% over Q2 of FY24.

The Earnings Per Share (EPS) for Q2 of FY25 is at ₹ 13.15.

### Standalone financial performance highlights:

(₹ in crores)

Particulars	Quarter Ended	
	Sep 30, 2024	Sep 30, 2023
Revenue from operations	3,135.83	2,811.14
Profit before tax	323.97	308.73

The revenue growth was aided by year-on-year healthy volumes registered in the automotive after-market and export markets.

**Mr. Harshavardhana Gourineni, Executive Director, Automotive & Industrial** says, "The revenue and profit numbers showcase our consistent performance across verticals. We have witnessed good traction from the new geographies that we expanded in the last quarter, and it was spearheaded by our new range of indigenously designed AGM batteries. We are looking at growing bigger in the coming months and will continue to build our product range, cater to newer segments, and strengthen our global presence."

"We have strengthened our customer alliances in the last quarter, and it gives us confidence on the steps we have taken so far. We are on track with the construction of the new cell manufacturing plant along with expanding our battery pack facility that we inaugurated recently," says **Executive Director, New Energy Business, Mr. Vikramadithya Gourineni**.

Speaking about the results **Mr. Jayadev Galla, Chairman & Managing Director of ARE&M** said, "Our business across segments has performed considerably well. We have witnessed significant growth in revenue and profits quarter on quarter, a direct testament of our customer's trust in the quality and reliability of our products and services. We are taking rapid strides in the Li-ion battery and chargers segment, and have made new additions to our advanced lead acid battery portfolio as well, thus promising a growth-oriented future."
