Ranchi : 2nd January 2023

Today morning, we reported an incident of fire at one of the pickling plants inside our Ranchi factory premises. Our emergency response team immediately reached the incident site; the area was cordoned off and the situation was brought under control along with support of fire tenders from local fire brigade services. No one has sustained any injuries and there are no casualties.

No material impact is expected on the operations of the Company. As per the standard safety protocol, the incident was immediately reported to the relevant authorities, and an investigation to assess the cause is underway. As a responsible corporate, we remain committed to safe operations and the safety & well-being of all our employees and stakeholders.
