02<sup>nd</sup> June 2022

Dear Sir/Madam,

**Subject:** Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015  
**Ref.:** BSE Scrip ID: **CHEMCRUX** BSE Scrip Code: **540395**

In accordance with Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we would like to inform that as per our intimation dated 4th January, 2022, the State Level Environment Impact Assessment Authority, Gandhinagar, Gujarat has accorded the Environment Clearance for expansion of manufacture of Synthetic Organic Chemicals by the Company from its plant located at Plot no.: 4712-14 GIDC Estate Ankleshwar, Taluka: Ankleshwar, District: Bharuch, Gujarat.

Subsequent to necessary consent to establish (CTE) obtained from the Environment Department, the Board of Directors of the company at its meeting held today, has considered the expansion plan to be implemented in phases, for Chlorosulfonation, oxidation & nitration reactions, subject to requisite approvals. On completion of the expansion as envisaged, the capacity is likely to be doubled.

The expansion plan is in line with the strategy to enhance the capacities in chemistries handled & expertise. This capacity addition will cater to growing demand from existing customers & developing markets.

The Expansion plan is expected to be completed over a period of 15 months & would require an approximate investment upto Rs.80 Cr. Which shall be financed from internal accruals & borrowings from Banks/ financial institutions.

Kindly take on record the above.

Thanking you,
