Dear Sir/Ma'am,

We would like to inform you that in the wake of novel Coronavirus (COVID-19) outbreak across the globe, Indian Central government, State governments and local authorities have issued advisory in order to control the community transmission stage of COVID-19. The operations in the manufacturing and the sales locations have been shut down from 21st March 2020.

This event may adversely affect the operations of the Company in the near term. However, over the longer run we believe we have a robust business model, a healthy balance sheet and sufficient liquidity to emerge out stronger from this challenge.

The duration of this shutdown will depend upon directives to be further issued by the respective Government authorities in this regard. The Company will continue to closely monitor the situation and take appropriate action as per regulatory guidance.

We will keep you informed as soon as we have any further updates. Submitted for your kind reference and records.

**Thanks & Regards,**
