Kotak811, India's next
banking chapter

“With a few exceptions, the only instances in which mainstream firms have successfully established a timely position in a disruptive technology were those in which the firms’ managers set up an autonomous organization charged with building a new and independent business around the disruptive technology”

Clay Christensen

In summary

Full Stack Digital Bank within Kotak

- 12.3 million users, ~50% Y-o-Y growth
- Agility and youth matched with experience and expertise

Technology & Data at our Core

- Rebuilding tech stack layer-by-layer
- ~50% of 811 Team are new-age skillsets

Valuable & Sticky Customers

- 4 year old customer cohort shows better average metrics than overall base

Strong Unit Economics Compounding at Scale

- 4.5 years breakeven and reducing
- 5 year learning curve so far

“I’ve missed more than 9,000 shots in my career. I’ve lost almost 300 games. 26 times, I’ve been trusted to take the game winning shot and missed. I’ve failed over and over and over again in my life, and that is why I succeed”

Michael Jordan

Basketball Player – Chicago Bulls

Kotak811, digital banking
for a billion Indians
